**Brady Expands North Carolina Workforce**

**GREENSBORO, N.C. (August 5, 2010)** — Brady ([www.brady-services.com](http://www.brady-services.com)), a company that provides energy systems and comprehensive building solutions for commercial and industrial facilities across North Carolina, announces today the expansion of the company's workforce by nearly five percent in 2010. Brady has created 14 new positions, in addition to filling seven existing openings. The growth is due to several new contracts.

Recently hired associates include:

- Statewide
  - Mark Forester, boiler service technician
- Greensboro
  - Yana Reynolds, accounts payable associate
  - Karen Smith, administrative assistant
  - Jordan Powell, controls technician
  - Brad Lawson, parts counter sales
- Raleigh
  - Butch Hancock, welder
- Goldsboro
  - Jim Goldman, service technician

"I am excited about the opportunity to expand the Brady family of associates," says Jim Brady, president. "What is even better is when our associates are able to advance their careers within the company."

Brady has been family owned and operated for nearly 50 years, offering an environment that provides opportunities for individual growth and development. A recent example is Joe Batman, a Greensboro warehouse associate. Last month, he was promoted to HVAC technician after completing his certification. Associates average more than nine years of service with the company. Brady's technician turnover is less than 2 percent, and the firm has more than 39 associates who are in the 20-year club.

Brady expects to top 300 associates statewide by year-end. A listing of open positions can be found at [www.brady-services.com](http://www.brady-services.com). Brady also provides an application form online at <http://tinyurl.com/26k4tcy>. To submit an application, resume or other qualifications, email [recruiting@brady-services.com](mailto:recruiting@brady-services.com).

**About Brady:**

Brady Services is headquartered in Greensboro, North Carolina with offices in Raleigh, Fayetteville, Wilmington and Charlotte. Founded in 1962 by Chairman Don Brady, the

company remains a family owned enterprise, today employing nearly 300 associates. The company works with building owners, facility managers, developers, architects, engineers and contractors providing sustainable, comprehensive building solutions for commercial and industrial facilities. Brady provides customers with a diverse range of solutions including building automation, energy conservation, green design, performance contracts, mechanical systems, parts and supplies, as well as responsible technical support.
