

Commercial HVAC Products

CAPABILITIES

Providing solutions for your commercial and industrial HVAC needs we proudly represent:

<p>Controls and Building Automation Systems Centrifugal Chillers Helical Rotary Chillers: <i>air, water cooled</i> Scroll Chillers: <i>air, water cooled</i> Condensing Units: <i>air, water cooled</i> Air Handling Units: <i>indoor, outdoor</i> Custom Air Handling Units: <i>indoor, outdoor</i> Cooling, Heating and Heat Recovery Coils Variable Air Volume Terminals Variable Refrigerant Flow Systems Fan Coil Units Self Contained Units: <i>air, water cooled</i></p>			<p>Rooftop Units: <i>gas, electric, hydronic</i> Heat Pumps: <i>self contained, split system</i> Water Source Heat Pumps Unit Heaters: <i>gas, electric, hydronic</i> Cabinet and Wall Heaters: <i>electric, hydronic</i> Unit Ventilators Cooling Towers Variable Frequency Drives Dedicated Outside Air Units Refrigerant Recycling Recovery IAQ Products</p>			Air Filtration Air Filtration Computer Room Units Electric Duct Heaters Heat Recovery Wheels Systems/ Chilled Beams	
	Ice Storage Systems		Heat Exchangers		Air Handling Specialties		
	Modular Chillers		Web Based Automation and Integration		Modular All-Indoor HVAC Systems		
	Sound Control		Outside Air, Energy Recovery Units		Combustion Management Solutions		
	Swimming Pool Dehumidifiers		Energy Recovery		Deaerators		
	UV Lighting		Heat Recovery Systems		High Efficiency Boilers		
	Ionization Products		Pumping Packages		High Efficiency Burners		
	Air Rotation Systems		Multizone Replacements		Firetube Boilers		
Ask us about EarthWise™ Systems				Firetube Boilers			
<p>Serving you from our facilities in: Greensboro • Raleigh • Wilmington Durham • Fayetteville</p> <p>(800) 849-1915 www.bradyservices.com</p>		<p>Ingersoll Rand advances the quality of life by creating and sustaining safe, comfortable and efficient environments. Our people and our family of brands—including Club Car®, Ingersoll Rand®, Schlage®, Thermo King® and Trane®—work together to enhance the quality and comfort of air in homes and buildings; transport and protect food and perishables; secure homes and commercial properties; and increase industrial productivity and efficiency.</p>		<p>Integrated security solutions provided through:</p>
