

Commercial HVAC Products

CAPABILITIES

Providing solutions for your commercial and industrial HVAC needs we proudly represent:

<p>Controls and Building Automation Systems Centrifugal Chillers Helical Rotary Chillers: <i>air, water cooled</i> Scroll Chillers: <i>air, water cooled</i> Condensing Units: <i>air, water cooled</i> Air Handling Units: <i>indoor, outdoor</i> Custom Air Handling Units: <i>indoor, outdoor</i> Cooling, Heating and Heat Recovery Coils Variable Air Volume Terminals Variable Refrigerant Flow Systems Fan Coil Units Self Contained Units: <i>air, water cooled</i></p>		<p>Rooftop Units: <i>gas, electric, hydronic</i> Heat Pumps: <i>self contained, split system</i> Water Source Heat Pumps Unit Heaters: <i>gas, electric, hydronic</i> Cabinet and Wall Heaters: <i>electric, hydronic</i> Unit Ventilators Cooling Towers Variable Frequency Drives Dedicated Outside Air Units Refrigerant Recycling Recovery IAQ Products</p>		<p>Air Filtration</p>	<p>Air Filtration</p>
<p>Ice Storage Systems</p>		<p>Heat Exchangers</p>	<p>Air Handling Specialties</p>		
<p>Air Handlers</p>		<p>Web Based Automation and Integration</p>	<p>Modular All-Indoor HVAC Systems</p>		
<p>Sound Control</p>		<p>Outside Air, Energy Recovery Units</p>	<p>Combustion Management Solutions</p>		
<p>Swimming Pool Dehumidifiers</p>		<p>Energy Recovery</p>	<p>Deaerators</p>		
<p>UV Lighting</p>		<p>Heat Recovery Systems</p>	<p>High Efficiency Boilers</p>		
<p>Ionization Products</p>		<p>Pumping Packages</p>	<p>High Efficiency Burners</p>		
<p>Air Rotation Systems</p>		<p>Multizone Replacements</p>	<p>Firetube Boilers</p>		
<p>Ask us about EarthWise™ Systems</p>			<p>Watertube Boilers</p>		
<p>Serving you from our facilities in: Greensboro • Raleigh • Wilmington Durham • Fayetteville</p> <p>(800) 849-1915 www.bradyservices.com</p>		<p>Ingersoll Rand advances the quality of life by creating and sustaining safe, comfortable and efficient environments. Our people and our family of brands—including Club Car®, Ingersoll Rand®, Schlage®, Thermo King® and Trane®—work together to enhance the quality and comfort of air in homes and buildings; transport and protect food and perishables; secure homes and commercial properties; and increase industrial productivity and efficiency.</p>		<p>Integrated security solutions provided through:</p>
