

Self-Assessment Questionnaire and Certification

Powered by SAS

Name: _____
 Company: _____
 Project: _____

Date _____

Brady and Building Clarity care about the safety of our Associates, customers, suppliers and subcontractors, and we are monitoring coronavirus COVID-19 and following all guidelines from health organizations. To ensure a safe and healthy work environment, we ask that you carefully complete this self-assessment.

Persons Who Should Complete this Self-Assessment:

1. All Associates should self-assess using this assessment tool:

- Before coming to work each day
- Before traveling to customer sites

2. All vendors, contractors, sales people and other visitors to Brady and Building Clarity facilities and customer jobsites must complete and submit a copy of this Self-Assessment Questionnaire and Certification upon arrival. Visitors and contractors that fail to do so will not be allowed on site.

Do ANY of the following currently apply to you?

Yes	No	
		Fever (greater than 38.0°C/100.4°F) and other symptoms, such as respiratory symptoms, dry cough or shortness of breath, headache, muscle aches and pains, chills, sore throat or other unexplained severe illness
		Travel to a US CDC Level 2 or 3 area (see US CDC for current list) within the last 14 days
		Direct member of your family or immediate household (spouses, parents and dependents as well as any individual with whom you reside) is confirmed to have or is suspected of having COVID-19
		Prolonged (15 minutes or longer) and close (within 3 feet or 1 meter) contact with someone who: Is confirmed to have or is suspected of having COVID-19, or
		Recently returned (within the last 14 days) from a US CDC Level 2 or 3 area

If the answer to any of the above is YES and:

- **You have developed symptoms of COVID-19 - You may have had exposure to the infectious agent. We are directing you to seek medical attention and remain off the site for 14 days following resolution of symptoms.**
- **You have not developed symptoms of COVID-19 - We are directing you to remain off the site for 14 days following your last possible exposure to the infectious agent.**

If, on the basis of this self-assessment, it is not appropriate for you to enter the Brady or Building Clarity facility, or the customer jobsite, please contact your manager or HR representative, if you are an Associate. Nonemployees should communicate with their Brady or Building Clarity contact.

Certification

By submitting this form, I certify the accuracy of the responses I have provided and have been instructed on proper hygiene practices recommended by the CDC to reduce the spread of COVID-19. CDC recommendations are available [here](#).

Email completed form to covid19-notice@bradyservices.com.

Also provide a copy of the complete form to your Brady or Building Clarity contact.
